MEMORANDUM FOR THE DEPUTY DIRECTOR

SUBJECT: Reaction to Report on KGB Disinformation

1. This memorandum is for information only.
2. The attached TASS-reviewed IZVESTIYA article by Troitskiy is the first reported mention in Soviet media of the CONGRESSIONAL RECORD item on KGB disinformation.
3. The Office of the Legislative Counsel has informed me that on 10 November Senator Dodd referred to the Soviet defamation campaign on the American Security Council broadcast. The Senator reportedly quoted several parts of the "U.S. Government paper" and concluded his remarks with a statement that CIA and the FBI receive their direction from the Executive Branch of the Government.
4. The texts of both items have been ordered to use as a supplement to my 10 November memorandum on media reaction to the original CONGRESSIONAL RECORD item.
